

## 2019 NAMI Texas Conference

November 8-9, 2019

Houston Marriott West Loop by The Galleria

NAMI Texas leads education, support and advocacy for people living with mental illness through a network of local affiliates in 30 communities across the state and more than 2,000 members. With your help, last year NAMI Texas improved life in Texas for people with mental illness by:

- **Educating** - NAMI Texas offered no-cost training to 229 volunteers statewide so they could offer NAMI signature programs in their communities.
- **Supporting** - NAMI Texas facilitated access to support groups for 8,104 individuals and families whose lives have been impacted by mental health conditions, and
- **Advocating** - NAMI Texas developed a public policy platform cover 9 major areas of mental health policy; the platform has been used to advance over 30 bills in the 2019 legislative session.

**The statewide NAMI Texas Conference** gathers more than 200 mental health experts, people living with mental illness, and supportive friends and family together to learn, share, and heal.

We are extremely excited that this year's conference will take place in a vibrant area of one of the nation's largest, most diverse cities. With keynote speakers, workshops, networking opportunities, and exhibits. The NAMI Texas Annual Conference offers attendees opportunities to learn, share and build community.

Our theme this year is "Road to Resilience". As we move towards a recovery-based model of treatment and services for persons with mental illness, NAMI Texas is reaching out to our partners in the community to share recovery focused ideas, methods, education, support and inspiration with a focus on the physical, mental and spiritual components of recovery. Together we can grow into communities of health and offer the best care possible for ourselves and the persons we serve.

**NAMI Texas appreciates your consideration of Sponsorship of the 2019 Annual Conference.**
